Gentlemen

your postal just received, would say that I am still determined, to sell my Coin's, have done nothing about it as yet except my note to you, I would like to dispose of them in that way, which would bring me the largest return. perhaps as you are coming this way so soon, it would be best for me to wait. but would like to dispose of them this spring. it is hard work for me to decide as to the best course to pursue but a few moments talk with yaes, and I could decide very quick
